No Candidate

- It will be very important for voters to check the sample ballots prior to making a party selection...

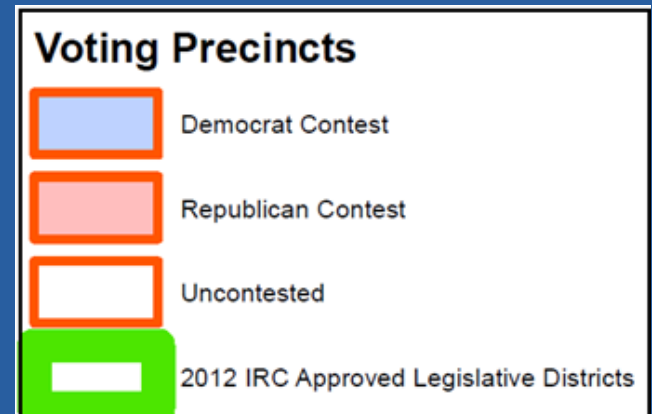

Precinct Committeepeople

- Filed PC Petitions: 3,405
 - Rep: 2,916
 - Dem: 481
 - Lbt: 8
- 639 uncontested races were cancelled & the PCs are considered elected by their applicable party (ARS 16-410).

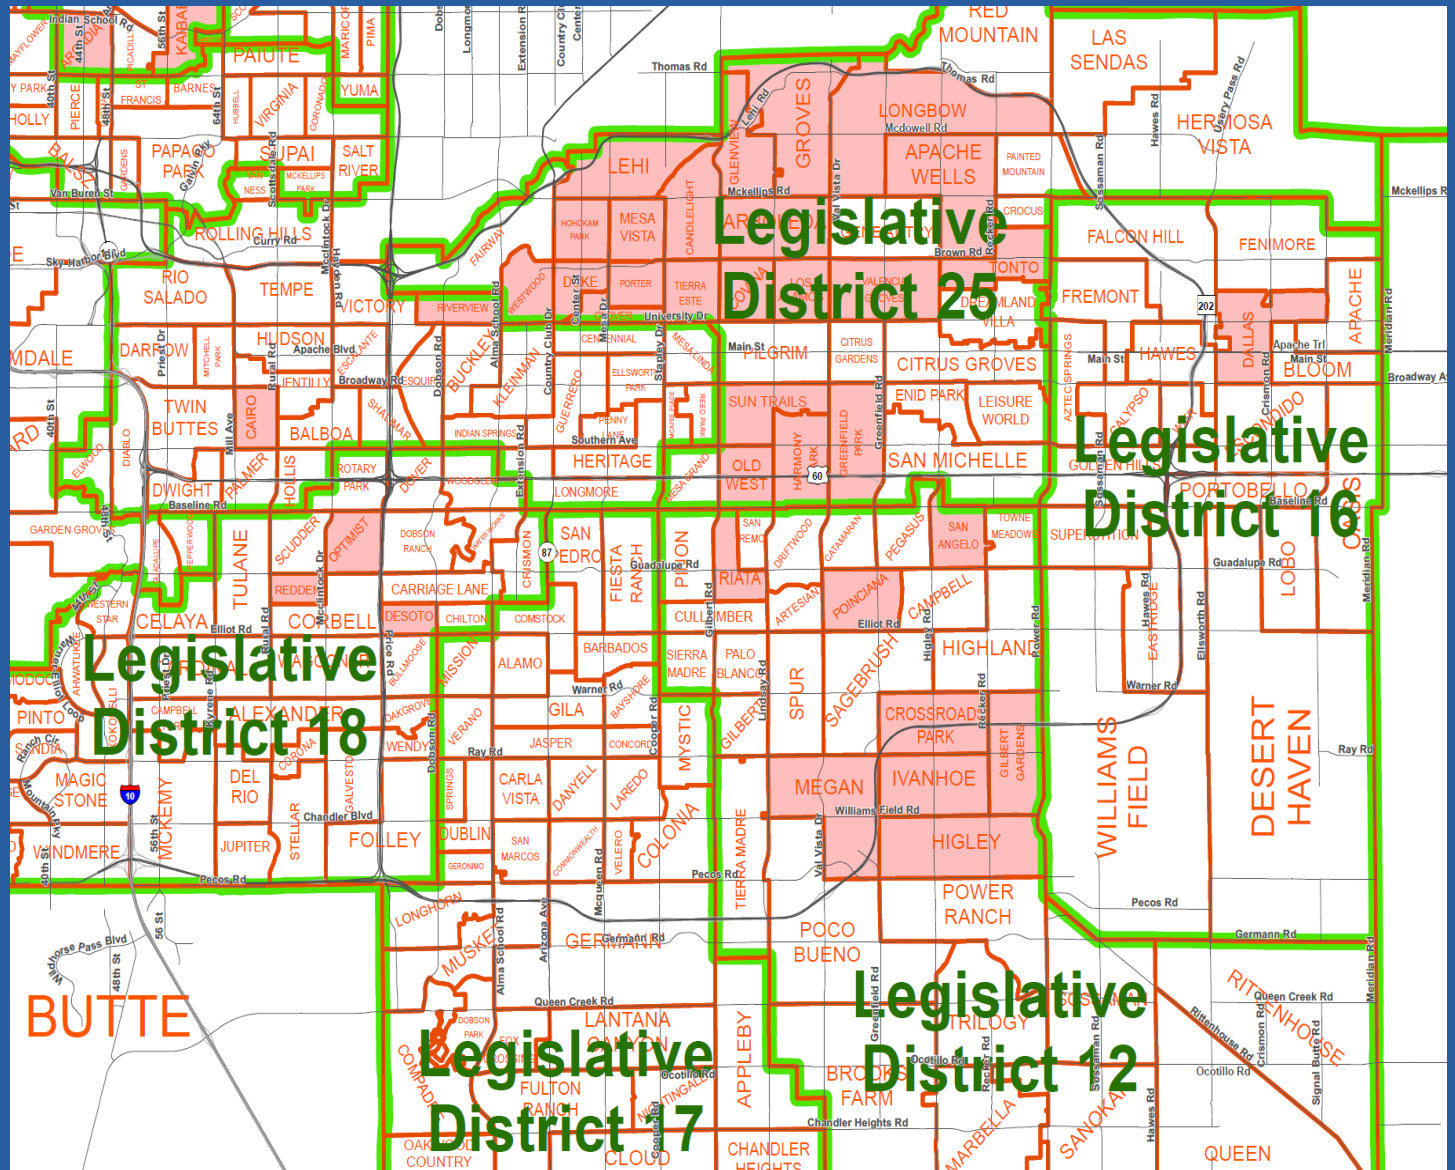

Precinct Committeepeople

- In contested precincts the candidate's names were drawn to determine ballot order.
- This was done in 54 precincts:
 - 2 Democratic Races
 - 52 Republican Races

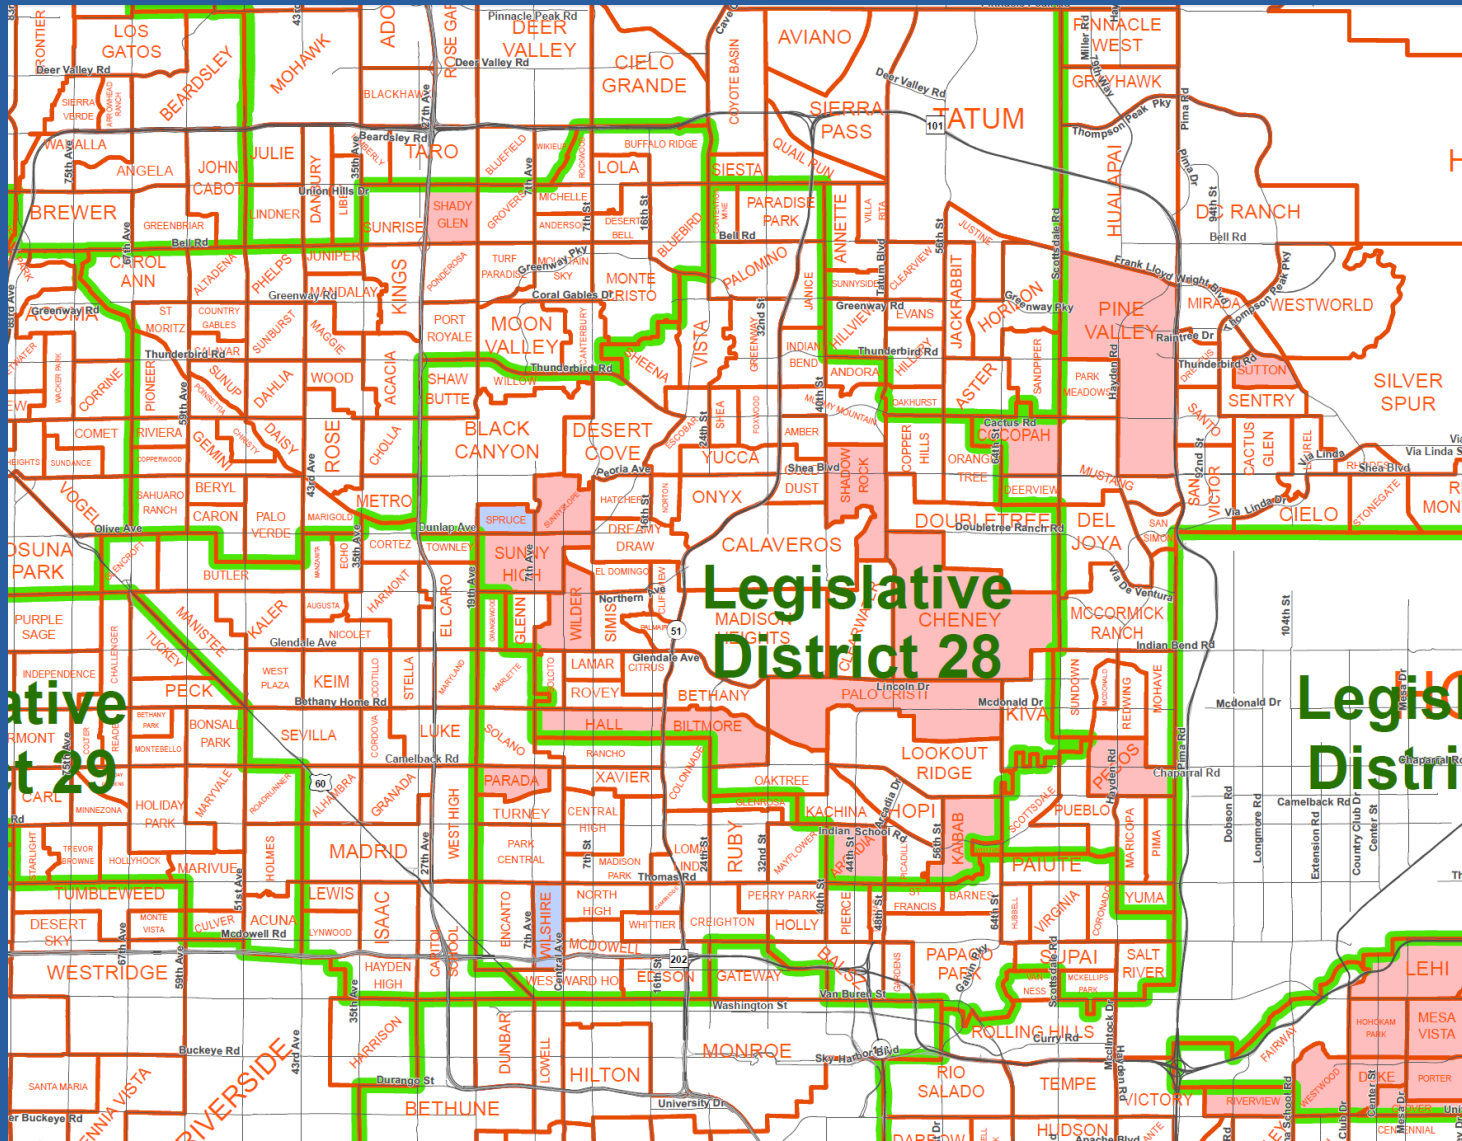

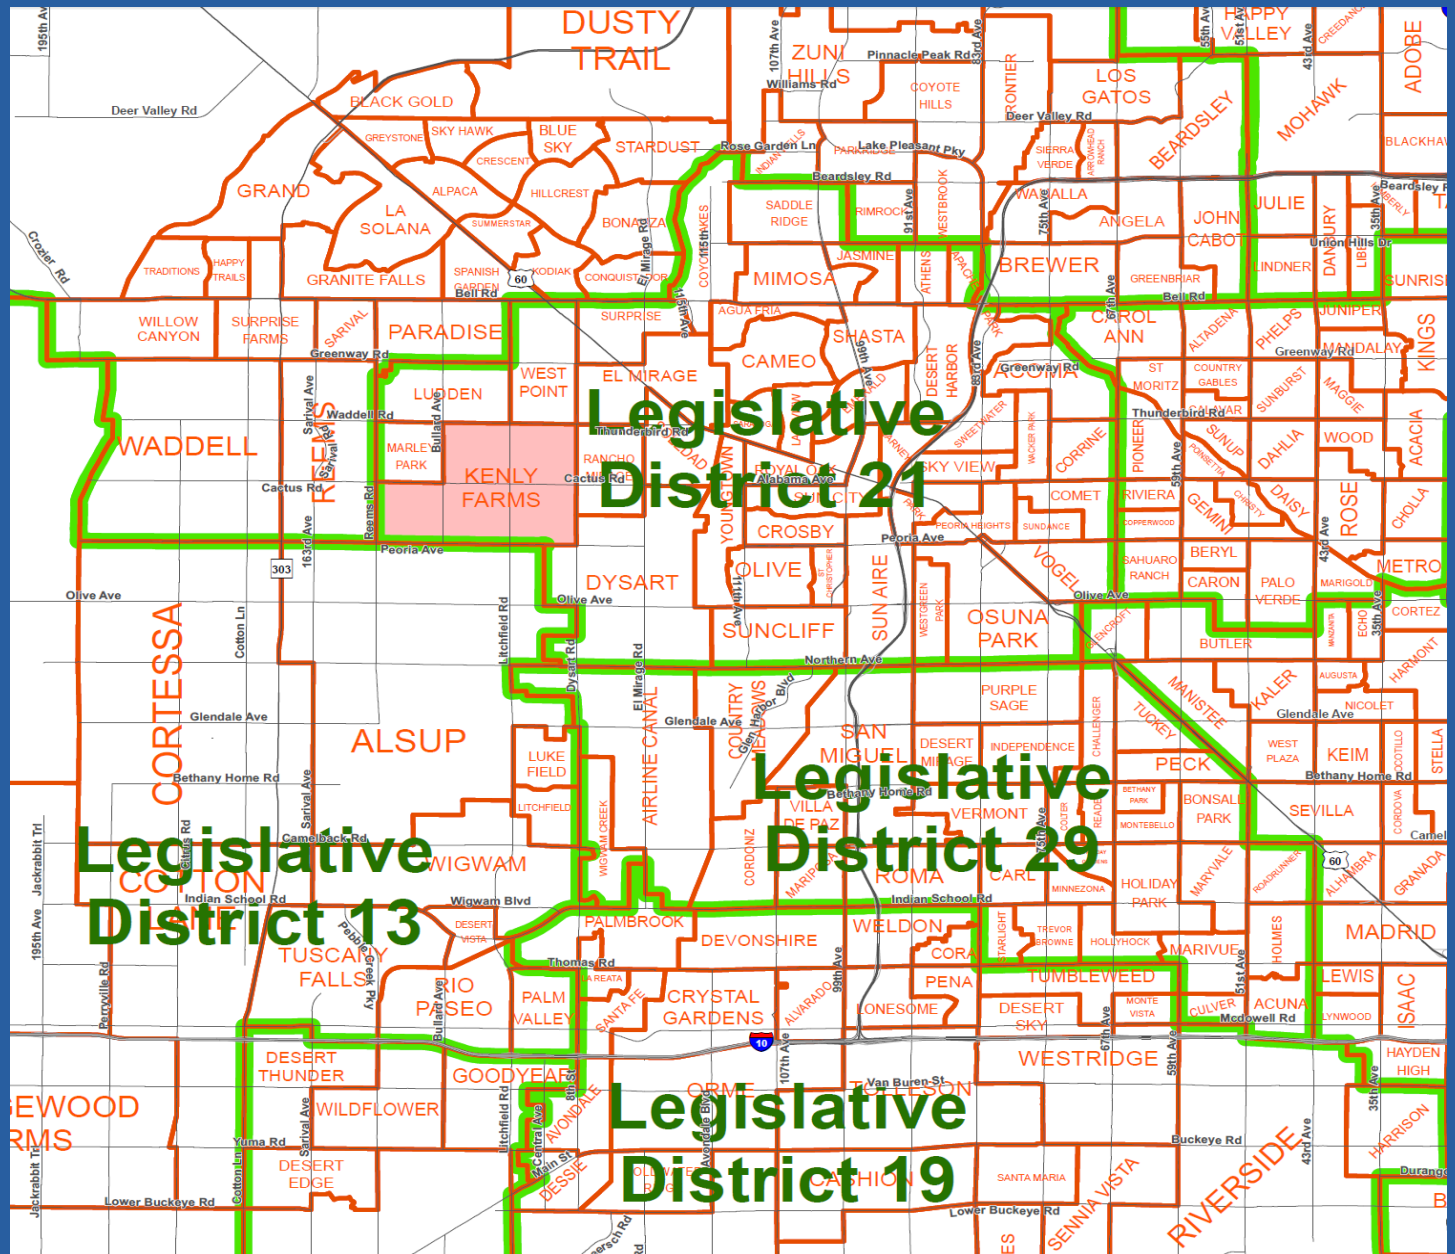

East Valley:

Central Valley:

Precinct Committeepeople

- This year there was a large increase in PCs filing as write-in candidates—908 to be exact!
 - Rep: 758
 - Dem: 149
 - Lbt: 1
- To file as a write-in the candidate does not file nomination petitions, just paperwork.

Precinct Committeepople

- In many cases these additional candidates caused the election to move forward rather than being cancelled.
- This results in there being a total of 85 precincts with separate ballots which contain PCs for voters registered to that party:
 - Rep: 81
 - Dem: 4
- Two precincts got very complicated...

Vote for 24

- 54 candidates filed nomination petitions for this PC race.
- There were no official write-in candidates (which, for PC, file 75 days prior to the election).
- Putting in the 24 unnecessary write-in lines would have split the race between the front and the back of the ballot.

Remember: In contested races the candidate's names are drawn by random lot, they are not in alpha order:

90 DAY NOTICE INFORMATION

Our records indicate that you are on the "Permanent Early Voting List" and we are mailing this notice to make you, as an eligible voter, aware of the upcoming election(s) and to provide you an opportunity to modify any of your registration information, if needed.

If your information is correct and current, you do not need to return this notification card. Your ballot will automatically mail on the date(s) indicated on the front of this card.

However, if you do need to update any of your voter registration information, then **complete and return this card no later than 45 calendar days prior to the Election Date(s)** indicated on the front of this card. If the update is not received within the above timeframe, your early ballot will already have been automatically scheduled.

For a Partisan (*political party specific*) Primary Election, if you are registered with a political party affiliation, the ballot for this party affiliation will automatically be sent to you. If you are registered within a city or town conducting an election on this date, your partisan ballot will include the city or town issue(s) or candidate(s).

REMINDER: You will remain on this list until your record is cancelled, moved to inactive status or until you request in writing to be removed from the list. A removal request must include: voter's name, residence address, date of birth and signature. A voter's failure to vote and return an early ballot does not remove the voter from the permanent early voting list.

PRIMARY ELECTION

THIS IS A STATE-WIDE PRIMARY ELECTION

This election is the opportunity for each of the recognized parties to decide who their candidate will be for certain state-wide, legislative, county, and precinct officers. The candidates winning this Primary will go on to run against the candidates from the other parties and independent candidates at the November General Election.

In the State of Arizona, we have a semi-open Primary. This means that if a voter is a member of one of the five recognized parties (Americans Elect, Democrat, Green, Libertarian, and Republican), the voter must vote that party's ballot. If the voter is not registered in one of these (we call them OTH voters), the voter may choose which ballot they would like to vote. However, because of a court case, OTH voters may not choose a Libertarian ballot. Choosing a party ballot will not re-register the voter into that party.

This is a partisan election, so party affiliation is a factor in this election. State law requires that there be an equal number of Republicans and Democrats in the polling place. The Inspector and Marshal should be different party affiliations, as should the Judges.

STANDARD VOTING PROCEDURE

PPNO 1 - TOLLESON

BEFORE VOTING
ELECTOR MUST SIGN HERE

Register#

EV Box

V

Follow these procedures for issuing a standard ballot. If at anytime one of the requirements cannot be met, refer the voter to the Provisional Ballot Table.

Signature Roster Clerk

- Start at the standard voting table.
- Voter shows the required proof of identity (page 27) and states his or her name.
- If the identification matches the Signature Roster and the EV box is not marked; verify that the voter still lives at the same address.
- PRIMARY SPECIFIC:** If the voter's party

affiliation says OTH, ask the voter which ballot the voter wants to vote. Write in the space in the signature block, the three letter code for the ballot the voter chooses. AEL= Americans Elect, DEM= Democratic REP = Republican, GRN = Green, and NON = Nonpartisan. Nonpartisan ballots will only be available in precincts located in Cities or Towns also holding an election this Primary. OTH voters may not choose a Libertarian ballot. Tell this ballot preference to the board worker issuing the ballots.

- Tell the Poll List Clerk and board worker issuing ballots the voter's register number.
- Only after these first steps have been completed, ask the voter to sign in the signature block.

Poll List Clerk

- Locate the voter's name in the green Precinct Register.
- Write the voter's name and Register Number on the next available line of the Poll List. The Register Number for Add-ons is preceded with the letter "A".

LER ST	OTH	11/20/200

ONWOOD ST	PUR	
5 JR	DEM	4/20/1991
ONWOOD ST	PUR	

Board Worker Issuing the Ballots

- Look up the voter by Register Number in the Precinct Register to determine the correct party ballot, by looking at the right hand column. **PRIMARY SPECIFIC:** If the voter is registered OTH and has selected a Republican or Democratic party ballot, ensure that the ballot distributed is the OTH version of that ballot. OTH voters MAY NOT receive a Libertarian ballot. Green party has only one version of ballots for all voters.
- Select the proper ballot, give it to the voter and also offer the voter a secrecy folder.
- Using a goldenrod demonstration ballot, show the voter how to properly mark the ballot using a single line to connect the head and the tail of the arrow.
- Explains how to do a write-in, if applicable, by writing in the candidate's name AND connecting the head and tail of the arrow next to the name written in.
- Remind the voter to vote BOTH sides of the ballot, if applicable.
- Explain that a mis-marked ballots must be spoiled and a replacement ballot will be issued. LIMIT 3.
- Explain how the ballot is inserted into the Insight by the Voter.

Voter

- Enter a voting booth and mark the ballot with the black ballot marking pen.
- Insert the ballot into the Insight. The ballot can be inserted in the Insight in any direction except sideways - upside down, backwards, frontwards, it doesn't matter.
- Gives the secrecy folder, if used, to the board worker. The board worker gives the voter an "I voted" sticker and offers a pink voter survey card (found in supplies).

Training

- Boardworkers attend a training class prior to each election:

Bilingual Class

- In June we went over the bilingual boardworker allocations.
- Those workers will be invited to attend an optional class that focuses on providing quality assistance to voters.
- Their language skills are assessed by our Bilingual Coordinator to ensure they have the proficiency to aid voters on Election Day.

Two overlapping "Bilingual Boardworker Call-back Log" forms. The forms are used to track the performance of bilingual boardworkers. They include fields for Voter ID, Date of Call, Result, and a section for the Boardworker's proficiency in English and Spanish. The forms are filled out with handwritten notes and ratings.

- We adopt the curriculum to each election to prepare workers for that specific election:

Curriculum:

- What has redistricting changed?
- What is new with electioneering?
- Why do polling places change?
- What ID do voters need?
- Who can vote in a Primary?
- What ballots do voters get?
- Do provisional ballots count?
- What are the best ways to assist?

Maricopa County Bilingual Program

Mission Statement:

Maricopa County Elections Department's Assistance Program strives to ensure equal access to the electoral process for all its citizens, and to provide the assistance some voters may require based on physical or mental abilities, mobility concerns, or language skill sets.

Standard Training class is **mandatory**; this class **IS NOT** a substitute for the Standard Training class, but an optional enhancement to your training in order to prepare you to assist voters at the polls on Election Day.

Curriculum:

- What has redistricting changed?
- What is new with electioneering?
- Why do polling places change?
- What ID do voters need?
- Who can vote in a Primary?
- What ballots do voters get?
- Do provisional ballots count?
- What are the best ways to assist?

This is NOT a class on how to speak Spanish, but rather, how to provide assistance to voters who do!

Time Commitment:

Class typically lasts 1 1/2—2 hours

Compensation:

\$25.00 for class attendance

Class Schedule:

There will be 11 training classes for the Primary Election on August 28th.

Polling Places

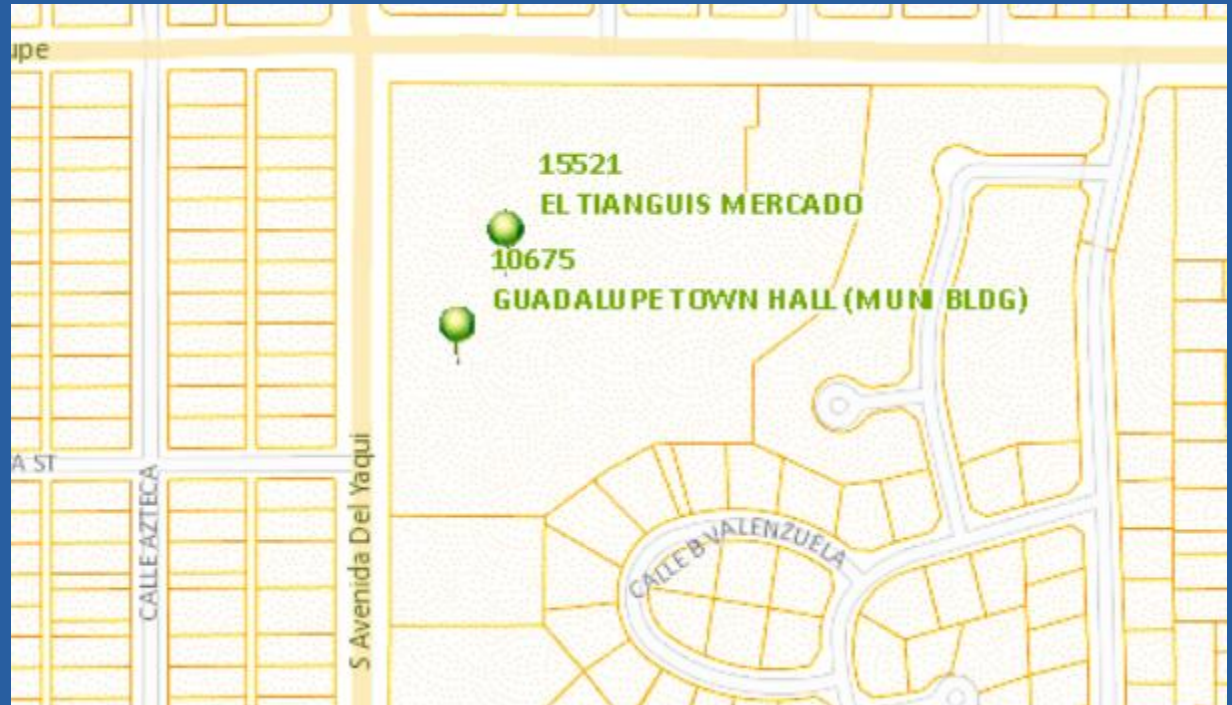

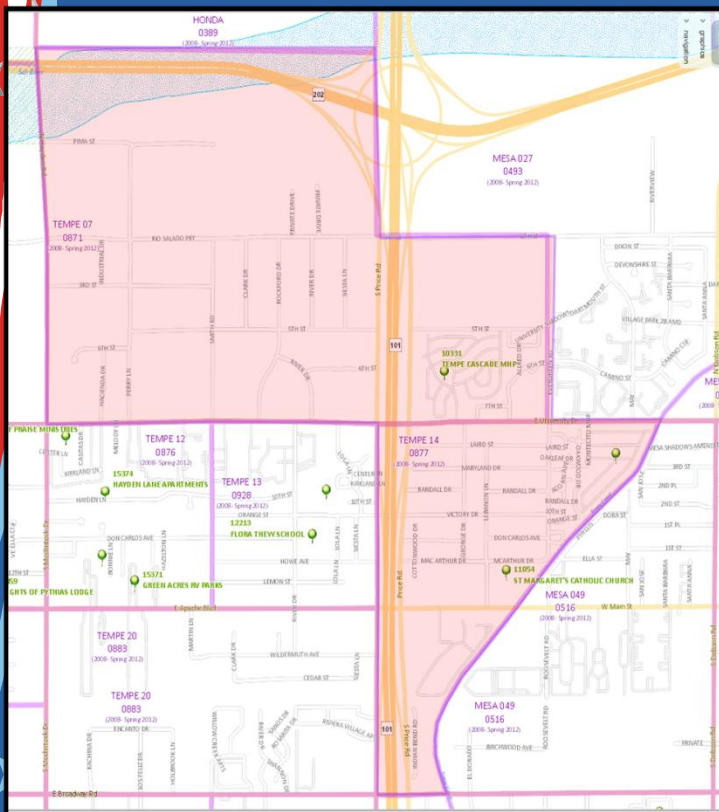

Summary

- We went over the polling place allocations in the June meeting, so will focus on what has changed since then.
- We have had a total of 6 changes.
- We had 3 facilities deny.
- We found a facility within a precinct so moved voters who were formerly going outside the precinct. &
- We had 2 administrative errors that we caught (good time to do so, before voter notifications went out).

- In Guadalupe the polling location is moved from Town Hall to El Tianguis Mercado which is right down the street:
- 9201  9241 S Avenida Del Yaqui

- In Tempe we consolidated Tempe 7 & Tempe 14 into the Victory precinct, they should have been assigned to the St. Margaret's Catholic Church but were assigned in error to the Cascade MHP.

- Although the MHP is more centrally located, the church has huge parking lots that will benefit voters on Election Day.
- In 2009 voters in the area worked to ensure that the church was used and the church made many structural improvements to ensure ADA compliance.

Electioneering:

- There were more statutory changes to electioneering that will be in play for the Primary Election for the first time.
- Here is how we are covering it in Bilingual Class:

No Electioneering

Lets talk about the future of directioneering

The law has changed (AGAIN!):

F. NOTWITHSTANDING ANY OTHER LAW, AN ELECTION OFFICIAL, A REPRESENTATIVE OF A POLITICAL PARTY WHO HAS BEEN APPOINTED BY THE COUNTY CHAIRMAN OF THAT POLITICAL PARTY OR A CHALLENGER WHO IS AUTHORIZED BY LAW TO BE WITHIN THE SEVENTY-FIVE FOOT LIMIT AS PRESCRIBED BY THIS SECTION SHALL NOT WEAR, CARRY OR DISPLAY MATERIALS THAT IDENTIFY OR EXPRESS SUPPORT FOR OR OPPOSITION TO A CANDIDATE, A POLITICAL PARTY OR ORGANIZATION, A BALLOT QUESTION OR ANY OTHER POLITICAL ISSUE AND SHALL NOT ELECTIONEER WITHIN THE SEVENTY-FIVE FOOT LIMIT OF A POLLING PLACE.

~~F.~~ G. Any person violating this section is guilty of a class 2 misdemeanor.

~~G.~~ H. For the purposes of this section, ~~÷~~

~~1. "Electioneering" means a demonstration of express~~ ELECTIONEERING OCCURS WHEN AN INDIVIDUAL KNOWINGLY, INTENTIONALLY, BY VERBAL EXPRESSION AND IN ORDER TO INDUCE OR COMPEL ANOTHER PERSON TO VOTE IN A PARTICULAR MANNER OR TO REFRAIN FROM VOTING EXPRESSES support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election. ~~, and includes any use of a candidate's or political party's name or a ballot measure's name or numeric designation and any verbal expressions of opposition or support.~~

~~2. "Electioneering materials" means written or printed material or items, including articles of clothing, that express support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election.~~

- So, voters can wear anything they want when they are in the polling place to vote, but they cannot TELL people who to vote for:

This doesn't change the reasons why someone can be within the 75 feet:

- To vote.
- To assist someone in voting.
- To work the polls (boardworkers & troubleshooters).
- As an official observer (political parties & DOJ).

Not sure the public is onboard with this one!

THE QUESTION

How much attention do you pay to campaign signs?

None at all. They're a blight.  85.31%

Some. It gives me something to do at a red light.  13.02%

A lot. They tell me something about the candidate.  1.67%

Total Votes: 2457
